Dear Dan:

This proposal defines the Fly Away Kit Spares for the 3-channel Data Reduction "E" Rack. Our basic list of recommended items was coordinated with the Depot Officers Bob W. and Bill D. The resulting lists, Y-E for Requirement No. 1 and No. 2, and Y-E-X for Requirement No. 3, reflect the items each approved. These listings are different and, as such, are treated separately.

Enclosed are cost estimates for six List Y-E's, four for Requirement No. 1 and two for Requirement No. 2, and twelve List Y-E-X's for Requirement No. 3. The estimated cost of List Y-E is \$226.76, and the fee, computed on that amount at 8.25%, is \$18.71. The total estimated cost including fee for one List Y-E is \$245.47, or \$1,472.82 for six lists.

The estimated cost of List Y-E-X is \$338.16, and the fee, computed on this amount at 8.25%, is \$27.90. The total estimated cost including fee for one List Y-E-X is \$366.06, or \$4,392.72 for twelve lists.

We have enclosed a cost summary sheet showing these proposed costs by requirements. A copy of this proposal has been forwarded separately to Bob W. and to Bill D. We will not begin any procurement action until we receive authorization from you.

Sincerely,

Dean
